General Statement of Professional Experience (written by firm)

Summit, established in 1994, is a Maine-based firm providing Environmental Investigations & Remediation Design, Environmental Compliance, Industrial Hygiene, and Construction Materials Testing. With offices located in Augusta, Bangor, Lewiston and Portland, Summit provides state-wide service. Our staff is experienced working on a wide variety of public and private sector projects with a successful history working with State of Maine entities including BGS, MaineDOT, MEARNG, Maine DEP, Land for Maine Futures, UMaine Systems and Maine Housing Authority. Our projects range in size from the assessment and investigation of small parcels to land tracts in excess of 500,000 acres, from demolition/renovation of existing structures to new building construction. Summit is a Maine DEP Brownfields consultant with environmental site investigation, VRAP & remediation expertise.
